Dear Friends:

Thank you for your gift of \$500.00 to benefit Shriners Hospitals for Children. Your generosity is deeply appreciated and will make a positive difference in the lives of the children that come to us for help. In accordance with the IRS rules, we confirm that you have received no goods or services in exchange for your gift. Shriners Hospitals for Children is a charity organized under IRC 501(c)(3) and your contribution is tax deductible to the extent allowed by law.

Shriners Hospitals are often called "the world's greatest philanthropy" because our excellent medical care is provided absolutely free of charge. All care is provided at no cost to the patient and family, and no payments are sought or received from any third party or government agency. Since opening our doors in 1922, more than 865,000 children with orthopaedic disabilities or burn injuries have been helped through our hospitals.

Through your thoughtful gift, you have become a friend of the children we treat. If you have the opportunity, I hope that you will visit one of our hospitals and see the wonderful work being done there.

Sincerely,
